Hedgehog Rescue

The children at after school club found a hedgehog on Tuesday. If you find a hedgehog in the daytime it is probably unwell as they are nocturnal creatures. Miss Wood and Mrs Cox from the office put it in a box and took it to be checked over by a vet.

The hedgehog is now at the Bilton Hogspital where it will stay until the Spring. It had a lot of ticks and was very underweight. It is only about 3 months old and still has its baby spines.

The following links have lots of information about hedghogs, including what to do if you find a hedgehog:
