**INSET Day - Friday 24th June**

**PTFA Summer Fair - Friday 8th July**

**Non-Uniform Day - Friday 1st July**

**Y6 Play - Tuesday 19th July 6pm (strictly 2 tickets per Y6 child)**

**Sports Day - Wednesday 20th July**

**Break up - Friday 22nd July (one hour earlier than normal collection time)**

**INSET Day - Monday 25th July**

## Sunny Weather!

As the sun and hot weather has finally decided to arrive, please can you ensure your child has a sun hat and water bottle at school throughout the summer term. We would ask you to apply sun cream on your child before school if the forecast is due to be sunny that day. Your child can also bring a named sun cream into school to reapply throughout the day. It may be easier to keep spare sun cream in school so there's no risk in forgetting it from day to day.

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)

# SPORTS DAY

We will be resuming our usual Sports Day format this year on **Wed 20th July**. For those who have missed out over the last two years , Reception to Year 6 join together for a day of activities in mixed age teams on the field. Parents are invited to join us for as long as they like—from 30 minutes to the whole day! We are usually able to start around **9.30ish** and the winning team is announced at **2.45ish**.

Nursery Children have their own Sports Day on the Jepson field during the morning of the same day.

The PTFA will be selling refreshments.

Details of lunch timings to follow.

## Earrings

Don't forget if your child is planning to have their ears pierced please do it in the first week of the Summer Holidays, so that earrings can be removed by the time they come back to school in September.

## Nursery...

Anyone with a child who turns 3 before **1st Sept 2022** who wants a place in nursery or know of anyone looking for a place in nursery, please get in touch with us as we are starting to allocate places for our amazing Little Oaks nursery!

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)

## **Personal Belongings**

Recently, we have had a few occasions where a child has brought personal belongings (or other items from home including a parent's vape) into school.

We ask all parents to please be vigilant over their belongings and ensure that children are not coming into school with anything from home.

As well as the obvious health and safety risk of some items, we would hate for a child to lose or break something that is precious to them.

Thank you.

## **Early Collection**

Please note that children can only be collected early if they have a medical appointment. Notice of the appointment must be given in advance.

A reminder that Kids Club is open all day on the Inset Day on Friday 24th June.

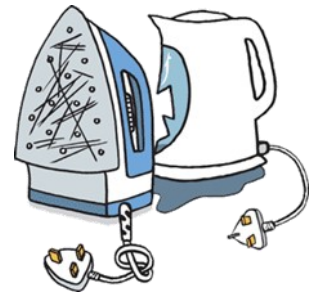

Kids Club offers childcare for children aged 3-11, which includes children in Little Oaks.

For more information visit <https://www.kidsatheart.co.uk/> or call 01423 888817

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)

## Recycling

Did you know that anything with a plug, battery or cable can be recycled? If you have a small electrical appliance like a hairdryer, iron, kettle or toaster that doesn't work anymore and can't be repaired, you can take it to your local Household Waste Recycling Centre. Even very small items like electric toothbrushes, torches, and razors can be recycled. Battery powered items like calculators and toys too.

UK households are hiding an astonishing 527 million unwanted electricals. If all these items were recycled, it would cut as much CO2 as taking 1.3 million cars off the road!

Inside electrical items are precious materials like gold, copper, steel and aluminium. If these items are binned rather than recycled, that potential to reuse those resources is lost forever.

When you recycle waste electricals, recovered plastic and metals can be used to make new products – from bicycles and children's play areas to life-saving equipment.

As well as being able to take items to your local Household Waste Recycling Centre, you can also drop off your broken and unwanted small electricals at 20 participating libraries until 8 July. More at [www.northyorks.gov.uk/SmallElectricals](http://www.northyorks.gov.uk/SmallElectricals)

Laptops, tablets and smartphones that still work can be dropped off at participating libraries and donated to the Reboot scheme. Find out more at [www.rebootny.co.uk](http://www.rebootny.co.uk)

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)

## Champions of the Week

		Spruce	Sonora	Rowan	Leto
Ash	Isaac	Poplar	Evan	Sycamore	Amelia
Chestnut	Thomas	Apple	Everyone!	Elm	Aaron
Holly	Ena-Hope	Hawthorn	Madison	Walnut	Oscar
Cherry	Dylan	Larch	Oliver	Acer	Louis
Hornbeam	Phoenix	Cedar	Noy	Silver Birch	Everyone!
Lime	Estelle	Maple	Marcus		

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)
