After-school Art Club

Years 3 & 4 Mondays
Years 5 & 6 Tuesdays

Art Club is run by Miss Armstrong-Lamb, who is a practicing artist specialising in drawing and oil painting. The sessions consist of projects which are designed to encourage creativity within a framework that teaches colour theory, sketching techniques, perspective and composition alongside exploration of different materials for mark making. Art Club is intended to be a relaxed environment to simply find the joy of making. All equipment and materials are provided, simply bring personal snacks (nut-free only) if they're wanted and song suggestions for the play list.

A Note from Miss Armstrong-Lamb:

The sessions will run in Drummond Hall as two separate Key Stage sessions (detailed below).

Old clothes are essential, either through a full change of clothes brought to change into or coming into school in old uniform. Acrylic paints, inks and permanent markers are some of the materials which we will be using in each session and whilst every effort is put into keeping clothes free of stains, **it is not possible to guarantee that clothing can be protected from staining.**
