

Hands on Nature Club Y1/2 Tuesdays 3.15-4.15pm

I am a qualified forest school leader and although the club isn't strictly 'forest schooling' the activities and craft that we do follow the forest schooling ethos. I try to use recycled and natural materials wherever I can and promote respectful behaviour towards our friends and the natural environment.

This club is lots of fun and there is plenty on offer for the children to do. In the spirit of forest schooling I encourage the children to participate in the activities but it is ultimately their decision. Hands on Nature is a varied club and we try to be outdoors as much as possible, whether your children like to Run around, Play games, Search for bugs, Draw, Craft or Create we really do have all the bases covered.

If the weather is really bad we may be based indoors however this is an outdoor club so the children will need a waterproof jacket and suitable footwear. Please note your children will not be returned to you in pristine condition so a spare change of clothes might be an idea!

This club runs for 10 weeks (25th April – 4th July) at a cost of £80. If you are interested in a place on the club please complete the attached form and email it to HandsOnNatureClub@gmail.com with the name of your child followed by Summer Term in the subject line.
